

In the Drawings

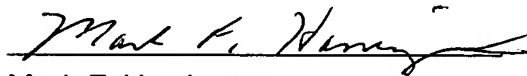

The attached drawing sheet corrects a small error in Fig. 17.

REMARKS

This amendment corrects typographical errors in the specification and a small error in Fig. 17. The amendment was not made for reasons related to patentability, and the full range of equivalents for all of the elements of the claims should remain intact.

A favorable consideration that results in the allowance of all of the pending claims is earnestly solicited.

Respectfully submitted:

Mark F. Harrington
